Universal Credit is coming to Glasgow

If you are of working age and intended to make a **NEW CLAIM** to any of these benefits you will need to claim for Universal Credit:

Income Support

Income-Based
Job Seekers
Allowance (JSA)

Housing
Benefit

Income-Related
Employment
and Support
Allowance (ESA)

Working Tax Credit
Child Tax Credit

What is Universal Credit?

- Universal Credit is a single monthly payment for people in and out of work. It replaces some of the benefits and tax credits that you might be getting now.
- You will no longer get different payments from Income-Based Job Seekers Allowance, Income-Related Employment and Support Allowance, Income Support, Tax Credits and Housing Benefit.
- **If you are already claiming these benefits or tax credits you don't need to do anything now. The Department for Work and Pensions will get in touch with you before there are any changes to your benefits or tax credits.**
- Universal Credit combines these amounts into one lump sum paid into your bank account on the same date each month.
- Universal Credit is applied for and managed online at www.gov.uk/apply-universal-credit
