

Rent Consultation 2026

The Association carried out a rent consultation to all tenants beginning in December 2025 to 23rd January 2026. Tenants were notified in the Winter Newsletter and asked to complete a satisfaction survey by text message or by paper format. A total of 101 tenants responded to the survey which represents 16% of our total tenants and sharing owners. The graphs below show the questions detailed in the survey and their respective outcomes.

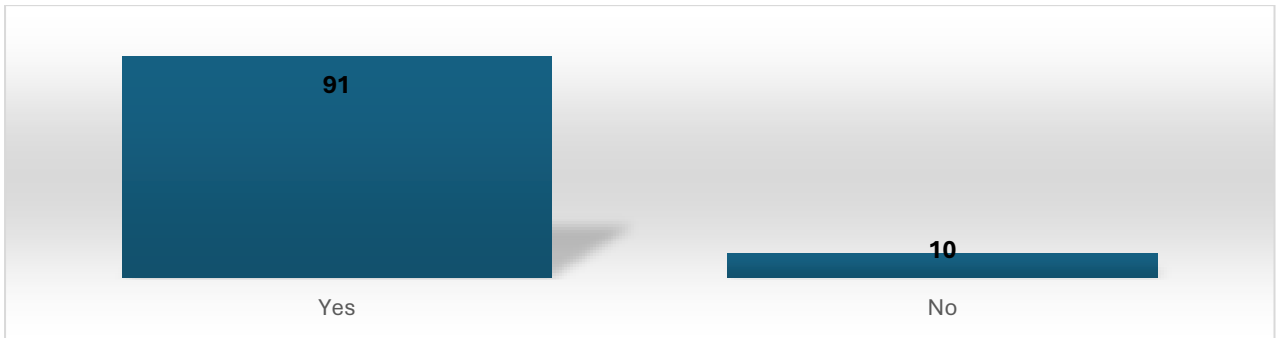

Q1. Taking into account the accommodation and services that Lochfield Park provides do you think that your rent provides good or poor value for money?

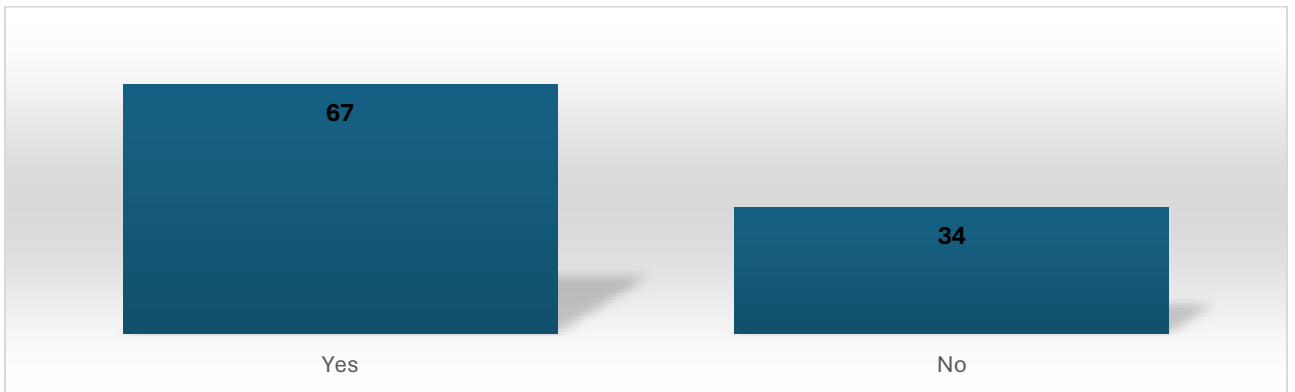

Q2. Having considered all of the services and home improvements your rent contributes to we would like to know what are the most important to you?

Q3. Do you think Lochfield Park should build houses to meet demand?

Q4. Do you think Lochfield Park invests in its properties?

Q5. Do you think Lochfield Park is a good place to live?

Q6. Do you think we have set our proposed increase of 5.8% at a reasonable level?
